

# KYAW SWAR HEIN (DENNIS)

**Visual Content Editor, Junior Full-stack Developer**

**Address:** 52/632, Ek Thaksin 5 Alley, Lak Hok, Pathum Thani, Thailand

**Phone:** (+66)94-647-8655

**Email:** dennis.kyawswarhein@gmail.com

## ABOUT ME

Currently a final-year student in Rangsit International College majoring Information and Communication technology. I am an enthusiastic and active tech student who also is proficient in digital media and public relation works.

## WORK EXPERIENCE

**Lead Fullstack Developer/Manager - (RSU Global! PAL Centre) - Contract** June 2025 - July 2026

- Led a 4-person web team in maintaining the learning platform, ensuring technical updates supported public relations goals as well as maintaining and enriching website features.

**Visual Content Editor (SKYRISE Corner Education Agency) - Freelance** Aug 2024 - Present

- I am a part of this agency as visual content coordinator, designer, and editor for all the digital design and marketing works. Web maintenance personnel for our official web platform.

**Visual Creator & Media Supervisor (RIC Music Club)** January 2025 - February 2026

- Directed the visual identity for the RIC Music Club, overseeing the end-to-end production of graphics, promotional videos, and event photography.

## PROJECTS & ACHIEVEMENTS

### QueueQuest Station - (React.js, Tailwind, Vite, Firebase)

- Queue sorting website to help restaurants with convenient queueing. UI design practice including fun, arcade-like & pop interface.

### Multiple social media campaign with SKYRISE Corner Education Agency

- Produced high-impact visual assets (graphics and promotional videos) over a two-year tenure, aligning creative output with strategic Public Relations goals.

### RSU International Language Center Website - (Laravel, Tailwind CSS, MariaDB, JavaScript)

- Student management system for official Rangsit University Language center.
- Mobile responsive, student-focused, & simple management web system incorporating conventional modern designs. Website link - <https://rsuglobal.rsu.ac.th>

### Foundation Program LMS - (Laravel, Tailwind CSS, MariaDB, JavaScript)

- Learning Management System for English Foundation Program (University assigned paid project)
- Under supervision of Dr. Timothy Boundy, we developed a comprehensive LMS to enhance the learning experience for students. Website link - <https://ricfp.rsu.ac.th>

### Lead Organizer (ICT Program Seminar)

30th July 2025

- Served as Lead Organizer and PR liaison for a university-wide ICT & IB education seminar, overseeing event logistics and successfully negotiating two agency partnerships.

## **Videographer/Editor for Video Award Winner Entry (Thailand Negotiation and Sales Competition 2025)**

- Edited the award-winning video submission, crafting a compelling narrative that secured the best video award.
